## **Lions are...**

*Since 1917, Lions clubs have offered people the opportunity to give something back to their communities. From involving members in projects as local as cleaning up an area park or as far-reaching as bringing sight to the world's blind, Lions clubs have always embraced those committed to building a brighter future for their community.*

### **“We Serve**

Over 1.3 million Lions members in more than 200 countries and geographical areas answer the needs that challenge the communities of the world. Lions tackle tough problems like worldwide blindness prevention and diabetes awareness.

### **“Global Neighbors”**

Lions members provide immediate and sustained relief in time of disaster and offer long-term assistance to those in need. Lions collect and recycle eyeglasses for distribution in developing countries and treat millions of people to prevent river blindness.

### **“Your Neighbors”**

The Laguna Niguel Lions Club was chartered in 1975 by a group of dedicated service-minded individuals and has contributed greatly to its community by:

- Promoting diabetes awareness & prevention
- Providing camperships for children with disabilities
- Providing community eye care assistance
- Recycling over 2,000 pairs of glasses each year
- Supporting guide dogs for the blind
- Supporting the Aliso Niguel High School Leo Club
